Dear Stephen

Here some days are about 73°, then
warm up to 85°, depending each day. Hope
that N.Y. relaxed on the weather.

Here's some info from the internet & Calif.:

- www.googletrailerhome
- 30,000 small houses, custom built
- Mobile home trailers repo used OR
- google trailer Parks
- Super Factory Homes
- Google home → search → Gmail or YouTube or

Mobile trailer

Some trailers are in Monrovia, Duarte, El Monte
or Arcadia, Ca.

This Mustang home is fair (not fancy). But
the electric ~~and~~ pestering come & go. So I want
to move the landscape - or this area.

Here there are more jobs, ~~too~~ some making
new jobs. You can do it, and there's diffant
schools.

Call or write about the 'news'.
